Polyethylene TRUCK TOOLBOX

LDR Industries provide top quality plastic truck toolboxes for a wide range of industries and uses. The boxes are manufactured from polyethylene and are designed to suit the harshest conditions. An excellent option where weight is a consideration, great for spill kits.

Features include:

- Fully sealed with double fluted pinch weld seal
- Flush fit lid
- Lockable "T" handles with keyhole covers
- Superior strength lightweight construction
- Reinforced ribs for shock and impact resistance
- Mounting brackets

Superior quality tool boxes
and accessories
